Growing in
Faith, Hope and Love

Many times, in life we go through situations that we don't understand. We face trials that at the time we feel will break us. Last July, I began such a trial. Most of you know that last July 22, my dad went to be with the Lord. Today, is the anniversary of

the day we brought him home from the hospital. It was the beginning of a very tough and trying year. I still do not understand why this happened, but as time has gone on, I have come to realize that God is in control.

Job had a similar situation. He lost everything; his children, his wealth and even his health. He was given some bad advice too. His wife told him to just "curse God and die", but Job never gave up. However, even though he never gave up, he did doubt and began to question God.

We all have questioned God at some point in our life. I have in the past year. Notice what God's answer to Job was. In Job 38:2-4 God says, "Who is this who darkens counsel by words without knowledge? Now prepare yourself like a man; I will question you and you shall answer Me. Where were you when I laid the foundations of the earth? Tell Me, if you have understanding." God tells Job that He is in control and that even if Job does not understand why, God does and that is all we need to know. That has brought me comfort this past year and I hope that it brings you comfort as well if you are struggling with something.

I can never thank everyone enough for their love and support. You are so loved!

Eric

**The Book of Ecclesiastes =
Unlocking Profound Biblical Wisdom**

The book of Ecclesiastes has always been a favorite. It the past 10-12 years it has been a friend to me. I want to take you on a captivating exploration of one of the most thought-provoking and reflective books in the Bible. Often attributed to the wise and renowned King Solomon, Ecclesiastes stands out as a timeless masterpiece that delves deep into the complexities of human existence, offering profound insights and invaluable lessons that resonate across generations.

As we embark on our journey through Ecclesiastes, we are immediately drawn to its enigmatic author, King Solomon. Known for his unparalleled wisdom and insatiable thirst for knowledge, Solomon takes us on a poignant exploration of life's ultimate questions – the quest for meaning, the pursuit of happiness, and the inevitability of death. Mixing humor, satire and timeless truths he will draw you into his words

Ecclesiastes is a tapestry woven with threads of introspection, contemplation, and raw honesty. In its verses, we encounter a vivid portrayal of the transient nature of life and the futility of worldly pursuits. Solomon's musings on the cyclical nature of existence and the impermanence of human endeavors serve as poignant reminders of the fleeting nature of our earthly lives.

As we resonate with the timeless wisdom distilled in Ecclesiastes, we are confronted with profound truths that challenge our perceptions and beliefs. The book serves as a mirror that reflects our deepest fears, desires, and aspirations, prompting us to introspect and seek meaning beyond the material realm.

Through Ecclesiastes, Solomon imparts invaluable lessons on the importance of humility, gratitude, and the pursuit of spiritual treasures that endure beyond the confines of earthly existence. His words echo across time, urging us to embrace the transient nature of life and find solace in the eternal truths that transcend the temporal.

In a world characterized by fleeting pleasures and ephemeral pursuits, the teachings of Ecclesiastes offer a timeless blueprint for living a fulfilling and purposeful life. By embracing the wisdom encapsulated in its verses, we can navigate the complexities of existence with grace, resilience, and unwavering faith.

The key lessons of Ecclesiastes – to fear God, keep His commandments, and seek wisdom above all else – resonate with a universal truth that transcends cultural, religious, and temporal boundaries. In a society plagued by materialism and superficiality, Ecclesiastes serves as a beacon of light, guiding us towards a deeper understanding of the essence of life and the pursuit of lasting fulfillment.

Let's read, study and apply the biblical truths found in this great book. We can unlock the profound wisdom of Solomon. Have a great week!

You Are Loved. *Ray*
